

Fill in the gaps

I'll protect you, don't be scared
No (1) what, I will be there
I'll be gentle, I'll be light
These are the words you whispered in the night
Here I am
Here I am
Now I'm standing in the cold
Everything is said and done
Atomic winter in my soul
From the absence of the sun
The only remedy I know
Is I gotta let you go
Here I am
Here I am
But where were you (2) I was scared
A broken promise left me here
A post-it (3) is what I've got
It says, I'm sorry but I know you're not
So here I am
Yeah
Here I am
Now I'm (4) in the cold
Everything is said and done
Atomic winter in my soul
From the absence of the sun
The only remedy I know
Is I gotta let you go

Here I am
Here I am
There will come a day
When all of this is in my past
And (5) will come a day
When you're out of my (6) at last
I'm trying not to fall
Damn, it's such a long way down
But here I am
Yeah, yeah
And now I'm standing in the cold
Everything is (7) and done
Atomic winter in my soul
From the absence of the sun
The only remedy I know
Is I gotta let you go
Now I'm (8) in the cold
Everything is said and done
Yeah
From the absence of the sun
The only remedy I know
Is I gotta let you go
Here I am
Here I am
