

## Fill in the gaps

In a moment	Forget (11) the (12) why you
Everything can change	can't in life
Feel the wind on (1) shoulders	And (13) to try
For a minute	'Cause it's your time
All the (2) can wait	Time to fly
Let go of your yesterday	And when you're (14) and feel alone
Can you hear it calling	Just (15) run away
Can you feel it in your soul	Trust yourself and don't give up
Can you (3) (4) longing	You know you're better (16) anyone else
And (5) control	In a moment
Fly	Everything can change
Open up the part of you that wants to hide away	Feel the (17) on your shoulders
You can shine	For a minute
Forget about the (6) why you can't in life	All the world can wait
And start to try	Let go of yesterdays
'Cause it's your time	Fly
Time to fly	Open up the part of you that wants to hide away
All your worries	You can shine
Leave them somewhere else	Forget (18) the (19) why you
Find a dream you can follow	can't in life
Reach for something when there's (7) left	And start to try
And the world's feeling hollow	'Cause it's (20) time
Can you hear it calling	Forget about the (21) why you can't in life
Can you feel it in your soul	And start to try
Can you trust this longing	'Cause it's (22) time
And take control	Time to fly
Fly	In a moment
Open up the (8) of you (9) wants to	Everything can change
(10) away	
You can shine
