

## Fill in the gaps

In a moment	Forget about the reasons why you can't in life
Everything can change	And start to try
Feel the wind on your shoulders	'Cause it's (7) time
For a minute	Time to fly
All the world can wait	And when you're down and (8) alone
Let go of your yesterday	Just wanna run away
Can you hear it calling	Trust yourself and don't give up
Can you feel it in your soul	You know you're better than anyone else
Can you trust this longing	In a moment
And (1) control	Everything can change
Fly	Feel the wind on your shoulders
Open up the (2) of you (3) wants to	For a minute
hide away	All the world can wait
You can shine	Let go of yesterdays
Forget about the reasons why you can't in life	Fly
And start to try	Open up the part of you that wants to hide away
'Cause it's your time	You can shine
Time to fly	Forget about the reasons why you can't in life
All your worries	And start to try
Leave them (4) else	'Cause it's your time
Find a (5) you can follow	Forget about the reasons why you can't in life
Reach for something (6) there's nothing left	And start to try
And the world's feeling hollow	'Cause it's (9) time
Can you hear it calling	Time to fly
Can you feel it in your soul	In a moment
Can you trust this longing	Everything can change
And take control	
Fly	
Open up the part of you that wants to hide away	
You can shine
