

Fill in the gaps

One two	Climbing up walls that I never knew were there
Do you remember when the (1) fell	And I'm lost
Do you (2) the sound that the	Broken down the middle of my heart, heart
(3) made	I'm broken down the middle of my heart, heart, hear
When you closed it on me	You (7) you make me a ghost
Do you know that I went down	(Oh) you make me a ghost
To the (4) and landed on both	You take the breath all away from me
My broken-hearted knees	You take it away
I didn't even cry	You make me a ghost
Because pieces of me had already died	I don't cry
I'm a ghost haunting these halls	I don't try anymore
Climbing up walls that I never knew were there	I'm a ghost
And I'm lost	I'm a ghost
Broken down the middle of my heart, heart	And I'm lost
I'm broken down the middle of my heart, heart, heart	Broken down the middle of my heart, heart
You know you make me a ghost	I'm broken down the middle
You make me a ghost	I'm a (8) haunting these halls
I'm an invisible disaster	Climbing up walls that I never knew were there
I keep trying to walk	And I'm lost
But my feet don't find the (5) ground	Broken down the middle of my heart, heart
It's like living in a bad dream	I'm broken down the middle of my heart, heart, hear
I keep trying to scream	You (9) you make me a ghost
But my tongue has finally lost its sound	You make me a ghost
I've got to say goodbye	
To the pieces of me that have already died	
I'm a ghost haunting (6) halls
