

Fill in the gaps

One two	Climbing up walls that I never (16) (17)
Do you remember (1) the walls fell	there
Do you remember the sound that the door made	And I'm lost
When you closed it on me	Broken down the middle of my heart, heart
Do you know that I went down	I'm broken (18) the middle of my heart, heart, heart
To the (2) and landed on both	You (19) you make me a ghost
My broken-hearted knees	(Oh) you make me a ghost
I didn't even cry	You take the breath all away from me
Because pieces of me had already died	You take it away
I'm a (3) haunting these halls	You make me a ghost
Climbing up walls that I (4) (5) were	I don't cry
there	I don't try anymore
And I'm lost	I'm a ghost
Broken down the middle of my heart, heart	I'm a ghost
I'm broken down the middle of my heart, heart, heart	And I'm lost
You know you (6) me a ghost	Broken down the (20) of my heart, heart
You (7) me a ghost	I'm broken down the middle
I'm an (8) disaster	I'm a ghost (21) these halls
I (9) trying to walk	Climbing up (22) that I (23) knew
But my feet don't (10) the solid ground	were there
It's like living in a bad dream	And (24) lost
I (11) trying to scream	Broken (25) the middle of my heart, heart
But my (12) has finally (13) its	I'm (26) down the middle of my heart, heart,
sound	heart
I've got to say goodbye	You know you make me a ghost
To the (14) of me that have already died	You (27) me a ghost
I'm a (15) haunting these halls
