

I'm a ghost haunting these halls

Fill in the gaps

One two	Climbing up walls that I never knew were there
Do you remember when the walls fell	And I'm lost
Do you remember the sound that the door made	Broken down the middle of my heart, heart
When you closed it on me	I'm broken down the middle of my heart, heart, heart
Do you know that I went down	You know you (4) me a ghost
To the ground and landed on both	(Oh) you make me a ghost
My broken-hearted knees	You take the breath all away from me
I didn't even cry	You take it away
Because pieces of me had already died	You (5) me a ghost
I'm a ghost haunting (1) halls	I don't cry
Climbing up walls that I (2) knew were there	I don't try anymore
And I'm lost	I'm a ghost
Broken down the middle of my heart, heart	I'm a ghost
I'm broken down the middle of my heart, heart, heart	And I'm lost
You know you make me a ghost	Broken down the middle of my heart, heart
You make me a ghost	I'm broken down the middle
I'm an invisible disaster	I'm a ghost haunting these halls
I keep (3) to walk	Climbing up (6) that I never (7) wer
But my feet don't find the solid ground	there
It's like living in a bad dream	And (8) lost
I keep trying to scream	Broken down the middle of my heart, heart
But my tongue has finally lost its sound	I'm broken (9) the middle of my heart, heart, heart
I've got to say goodbye	You know you make me a ghost
To the pieces of me that have already died	You make me a ghost
