Sunshine	So, baby, (8) if I can't forget you?
There ain't a thing that you can do	(What if I can't forget you?)
That's (1) ruin my night	Collide invisible lips like a shadow on the wall
(But, there's just something about)	And just throw, oh no
This dizzy dreamer and her bleeding little blue boy	You can't just throw me away
Licking your (2) like you're done and	So, what if I can't forget you?
You've decided there is so much more than me	I'll burn (9) name into my throat
And baby, honestly	I'll be the fire that'll catch you
It's (3) breathing next to you, I shake	What's so good about picking up the pieces?
I brought a gun and as the preacher tried to (4) me	What if I don't even want to?
Hold my heart it's beating for you anyway	(Oh-oh oh-oh)
What if I can't forget you?	What if I can't forget you?
I'll burn your name into my throat	I'll burn your name into my throat
I'll be the fire that'll catch you	I'll be the fire that'll catch you
What's so good about picking up the pieces?	What's so good about picking up the pieces?
None of the colors ever light up anymore in this hole	None of the colors (10) light up anymore in this
Nobody prays for the heartless	hole
Nobody gives another penny for the selfish	Just give her back to me
You're learning how to taste what you kill now	You know I can't afford the medicine
Don't mind me, I'm just reaching for your necklace	That feeds what I need
Talking to my mom about this little girl from Texas	So, baby, what if I can't forget you?
What if I can't forget you?	(What if I can't forget you?)
I'll burn your name into my throat	I'd better learn to live alone
I'll be the fire that'll (5) you	What's so good about picking up the pieces?
What's so good (6) picking up the pieces?	What's so good about? What's so good about?
None of the colors ever light up anymore in this hole	What's so good about picking up the pieces?
Just (7) her back to me	(Oh)
You know I can't afford the medicine	
That feeds what I need
