

That feeds what I need

Fill in the gaps

Sunsnine	So, baby, what if I can't forget you?
There ain't a thing that you can do	(What if I can't forget you?)
That's gonna ruin my night	Collide invisible (6) like a shadow on the wall
(But, there's just something about)	And just throw, oh no
This dizzy dreamer and her bleeding little blue boy	You can't just throw me away
Licking your (1) like you're done and	So, what if I can't forget you?
You've decided there is so much more than me	I'll burn your name into my throat
And baby, honestly	I'll be the fire that'll catch you
It's harder breathing (2) to you, I shake	What's so good about picking up the pieces?
I brought a gun and as the preacher (3) to stop	What if I don't even want to?
me	(Oh-oh oh-oh)
Hold my heart it's beating for you anyway	What if I can't forget you?
What if I can't forget you?	I'll burn your name into my throat
I'll burn your name into my throat	I'll be the fire that'll (7) you
I'll be the fire that'll catch you	What's so good about picking up the pieces?
What's so good about picking up the pieces?	None of the colors ever light up anymore in this hole
None of the colors ever light up anymore in this hole	Just give her back to me
Nobody prays for the heartless	You know I can't afford the medicine
Nobody gives another penny for the selfish	That feeds what I need
You're learning how to taste what you kill now	So, baby, what if I can't forget you?
Don't mind me, I'm just reaching for your necklace	(What if I can't forget you?)
Talking to my mom about this little girl from Texas	I'd better learn to live alone
What if I can't forget you?	What's so good about (8) up the pieces?
I'll burn your name into my throat	What's so (9) about? What's so good about?
I'll be the fire that'll catch you	What's so (10) about picking up the pieces?
What's so (4) about picking up the pieces?	(Oh)
None of the colors ever light up (5) in this	
hole	
Just give her back to me	
You know I can't afford the medicine
