Fill in the gaps

She (1)___ ___ up high Surrounded by the sun One million branches and she loves every one Mom and dad, did you search for me? I've been up here so long I'm going crazy And as the sun went down We ended up on the ground I heard the train shake the windows You screamed over the sound And as we own (2)____ night I put your body to the test with mine This love was out of control 3-2-1 where did it go? Now don't be crazy Yes now of course you can stay here Been in a touring band for going on ten years Big deal, I guess you're official I only said it 'cause I know (3)_____ it's like to feel Burned out It gets you down We've all been there sometimes But tonight I'll make you feel beautiful once again And as the sun went down We ended up on the ground

I heard the train shake the windows

You screamed over the sound
And as we own this night
I put your body to the (4) with mine
This love was out of control
3-2-1 where did it go?
If I (5) you, I'd put that away
See, you're just wasted
And (6) about the past again
Darling you'll be okay
And she said
If you were me, you'd do the same
'Cause I can't (7) anymore
I'll draw the shades and (8) the door
Everything's not alright and I (9) rather.
And as the sun went down
We ended up on the ground
I heard the train shake the windows
You screamed over the sound
And as we own this night
I put your body to the test (10) mine
This love was out of control
Tell me where did it go?
