

Then I started to realize

Fill in the gaps

Met a girl	I was living one big lie
Thought she was grand	She ****** hates me
Fell in love	Trust she ****** (5) me
Found out (1) hand	(La, la, la love)
Went well for a (2) or two	I tried too hard
Then it all (3) un-glued	And she tore my feelings like I had none
In a trap	And (6) them away
Trip I can't grip	That's my story
Never thought	As you see
I'd be the one who would slip	Learned my (7) and so did she
Then I started to realize	Now it's over, and I'm glad
I was living one big lie	'Cause I'm a fool for all I've said
She ****** (4) me	She ****** (8) me
Trust she ****** hates me	Trust she ****** hates me
(La, la, la love)	(La, la, la love)
I tried too hard	I tried too hard
And she tore my feelings like I had none	And she tore my feelings like I had none
And ripped them away	And ripped them away
She was queen for about an hour	(La, la, la, la, la, la, la, la love)
After that	Trust
**** got sour	(La, la, la, la, la, la, la, la love)
She took all I ever had	Trust
No sign of guilt	(La, la, la, la)
No feeling pain, no	And she tore my feelings like I had none
In a trap	Trust
Trip I can't grip	She ****** hates me
Never thought	
I'd ha tha ana wha would alin
