

I've never lied to you

Fill in the gaps

We're caught in a trap	Mmm yeah, yeah
I can't (1) out	We're (5) in a trap
Because I love you too much baby	I can't walk out
Why can't you see	Because I (6) you too much baby
What you're doing to me	Why can't you see
When you don't believe a word I say?	What you're doing to me
We can't go on together	When you don't believe a (7) I say
With suspicious minds	We're caught in a trap
And we can't build our dreams	I can't walk out
On (2) minds	Because I love you too much baby
So, if an old friend I know	Don't you know I'm caught in a trap
Drops by to say hello	I can't walk out
Would I still see suspicion in your eyes?	Because I love you too much baby
Here we go again	Don't you know I'm caught in a trap
Asking where I've been	I can't (8) out
You can't see (3) tears are real	Because I love you too much baby
I'm crying	Don't you (9) I'm caught in a trap
We can't go on together	I can't walk out
With suspicious minds	Because I (10) you too much baby
And we can't build our dreams	
On suspicious minds	
Oh let our love survive	©SONY/ATV SONGS LLC
