And she loves to dance

Well I come from a little bitty				
Homegrown small town				
Smoky Mountains, nice place to hang around				
Moonshine, that's (1) they make it				
Put it in a jug, makes you wanna get naked				
But I jumped on a greyhound bus one night				
And took it all the way to the end of the line				
Stepped out in the sun				
When my feet hit the sand				
What a long strange trip				
I spent my whole life running around				
Still let the wind kinda blow me around				
Well I dropped a note in a bottle				
To a long-legged model				
And I traded it in for a whole 'nother world				
A pirate flag and an island girl				
Well my friends back home				
Think I've gone and lost my mind				
Take a sip of rum				
And you really would know why				
Jolly Roger flying on the picnic table				
Blender in the kitchen, willin' and able				
Don't know what makes you say "what the hell"				
But when the salt air catches a hold of that sail				
Something 'bout it makes her just wanna dance				

I spent my (2)	(3)		_ running around	
Still let the wind (4)		(5)	me around	
Well I dropped a note in a bottle				
To a long-legged model				
And I traded it in for a whole 'nother world				
A pirate flag and an (6) girl				
Pirate flag and an island girl				
(Island girl)				
Well I remember back home 'neath the big ol' moon				
Tucked back in the woods, yeah life was good				
But here we are in a local bar				
And drinkin' shooting stars				
I might spend my whole life running around				
Still let the wind kinda blow me around				
Well I dropped a note in a bottle				
To a long-legged model				
And I traded it in for a whole 'nother world				
A pirate flag and an island girl				
A pirate flag and an island girl				
A pirate (7)	and an isla	and girl		
A pirate (8)	and an isla	and girl		
A pirate (9) and an island girl
