

I wanna be forever young

Fill in the gaps

Forever Young (Cover) by One Direction

Let's (1) in style	Do you really want to live forever
Let's (2) for a while	Forever
Heaven can wait we're (3) watching the skies	Or never?
Hoping for the (4) but expecting the worst	So many adventures couldn't happen today
Are you gonna drop the bomb or not?	So many songs we forgot to play
Let us die young or let us live forever	So many dreams are swinging out of the blue
We don't have the power but we never say never	We let 'em come true
Sitting in a sandpit, life is a short trip	Forever young
The music's for the sad man	I (8) be forever young
Forever young	Do you (9) want to live forever
I wanna be forever young	Forever
Do you really want to live forever	Or never?
Forever	Forever young
Forever young	I wanna be forever young
Some are like water, some are like the heat	Do you really want to live forever
Some are like the melody of some other beat	Forever
But sooner or (5) they all will be gone	Or never?
Why don't they (6) young?	Forever young
It's hard to get old without a cause	I wanna be forever young (forever)
I don't want to perish like a fading horse	Do you (10) want to live foreve
It's like diamonds in the sun	Forever
And diamonds are forever	Or never?
Forever young	Forever young
I wanna be forever young	I wanna be forever young (forever)
Do you really (7) to live forever	Do you really want to live forever (forever)
Forever	Forever (forever)
Or never?	Forever young
