

Fill in the gaps

Said I'd never leave her	If you'r
'Cause her (1) fit like my t-shirt	With a
Tongue tied over three words, cursed	Can m
Running over thoughts that make my feet hurt	I might
Bodies intertwined with her lips	And I c
Now she's feeling so low since she went solo	That m
Hole in the middle of my heart like a polo	And I w
And it's no joke to me	So we
So can we do it all over again	You'll r
If you're pretending from the start like this	And yo
With a tight grip, then my kiss	I (7)
Can mend (2) broken heart	But do
I might miss everything you said to me	If you're
And I can (3) you broken parts	With a
That might fit like this	Can me
And I will give you all my heart	I might
So we can start it all over again	And I c
Can we take the same road	That m
Two days in the same clothes	And I w
And I (4) just what she'll say	So we
If I make all this pain go	If you're
Can we stop this for a minute	With a
You know	Can me
I can tell that your heart isn't in it or with it	I might
Tell me (5) your mind, body and spirit	And I c
I can (6) your tears fall down	That m
Like the showers that are British	And I v
Whether we're together or apart	So we
We can both remove the masks	
And admit we regret it from the start	

e pretending from the start like this tight grip, then my kiss end your broken heart miss everything you said to me can lend you broken parts ight fit like this vill give you all my heart can start it all over again never know how to make it on your own ou'll never show weakness for letting go _ you're still hurt if this seed's sown you really wanna be alone? re pretending from the start like this tight grip, then my kiss end your broken heart miss everything you (8)_____ to me can lend you broken parts ight fit like this vill give you all my heart can start it all over again e pretending from the start (9)____ tight grip, (10)__ ___ my kiss end your broken heart miss everything you said to me an lend you broken parts ight fit like this vill give you all my heart can start it all over again

- 1. hands
- 2. your
- 3. lend
