Don't ever say you're ionely	rii carry you
Just lay your problems on me	I'll carry you
And I'll be waiting (1) for you	So you know that I'll carry you
The stars can be so blinding	l'll (7) you
When you get tired of fighting	I'll carry you
You know the one you can look to	Like you've been running for hours
When the (2) you have gets blurry	And can't catch your breath
You don't have to worry	The demons are screaming
I'll be you eyes	So loud in your head
It's the least I can do 'cause when I fell	You're tired you're broken
You pulled me through	You're cut and you're bruised
So you know that I'll carry you	But nothing's too heavy
I'll carry you	Just hold on, I'll carry you
I'll carry you	l'll (8) you
So you know that I'll carry you	So you know that I'll carry you
I'll carry you	I'll carry you
I'll (3) you	I'll carry you
I know it's been a long night	So you know that I'll (9) you
But now I'm here it's alright	I'll carry you
I've done my walking in (4) shoes	I'll carry you
We'll take each step together	So you know that I'll carry you
Til you come back to center	I'll carry you
You know that I'm no the (5) you	I'll carry you
And when the vision you have (6) blurry	So you know that I'll carry you
You don't have to worry	I'll carry you
I'll be you eyes	I'll carry you
That's the least I can do 'cause when I fell	
You pulled me through	
So you know that I'll carry you
