Fill in the gaps

Baby the harder you work		Put your boots on baby get to
The further you get with me (with m	e)	Work, work
I think you can		You (4) you gotta
I think you can		Work, work
Turn up prepared and make sure		And it's up to you how far we take this
That you can keep up (1)	me (with me)	Yes, it's up to you so take the lead
I think you can		And it's up to you so tell me (5) I gotta sign
I think you can		Waiting at the finish line baby
But, be aware I always get what I deserve		Ready, set, go
Keep your focus keep your nerve		Pick up the pace and step on it
Ready, set, go		Rip up the place if you (6) it
Pick up the pace and step on it		Work, work
Rip up the place if you (2)	_ it	You know you gotta
Work, work		Work, work
You know you gotta		I got the (7) and I want you
Work, work		Put your boots on baby get to
I got the goods and I want you		Work, work
Put your boots on baby get to		You know you gotta
Work, work		Work, work
You know you gotta		Pick up the pace and step on it
Work, work		Rip up the place if you want it
I tend to get what I want		Work, work
So are you (3)	to see (to see)	You know you gotta
I think you do		Work, work
I think you do		
It's time for you to step up		I got the goods and I want you
If you wanna be with me (with me)		Put your (8) on baby get to
I think you do		Work, work
I think you do		You (9) you gotta
But don't go slow		Work, work
That is not the way we play		
Slowly ain't my kind of game		Work, work
Ready, set, go		You know you gotta
Pick up the pace and step on it		Work, work
Rip up the place if you want it		You know you gotta
Work, work		Work, work
You know you gotta		
Work, work
