Only now it's gone	When you cry
I can see the year	I (12) nothing
See it for what it was	See no need to reply
And start another day	I can smile now
All the liberty you took	And turn away
The love that you abused	Come over here
The friends that you turned	So you can see me walk away
Against me if you could	And celebrate
And you're twisting what I say	The end of night (the end of night)
All that saying you were scared	The end of night (the end of night)
It doesn't matter anymore	The end of night (the end of night)
'Cause I'm not there	The end of night (the end of night)
You were careless when the (1) kicked in	After the fall comes love
And (2) when it left	I hate to hate and I love to love
And careless all the way	After the fall (13) love
I didn't see it till the end	I hate to hate and I (14) to love
I feel nothing	I feel nothing
When you cry	When you cry
I hear nothing	I hear nothing
See no need to reply	See no (15) to reply
I can smile now	I can smile now
And (3) away	And (16) away
Come over here	Come (17) here
So you can see me walk away	So you can see me walk away
So you can see me walk away And celebrate	So you can see me walk away And celebrate
