

Fill in the gaps

| I might have (1) my whole life Waiting in the dark | The (12) was (13) than I (14) take |
|--|------------------------------------|
| Or (2) place | But somehow each and every scar |
| With a (4) (5) my heart | Has been erased |
| You came (6) I decided | And if the sun and moon and stars |
| This might be my fate | Come (15) down |
| Not one second early not one second late | I'll be in (16) arms |
| Tell me how | No safer place I found |
| You give me hope with just one kiss | This is more than a (17) memory |
| And fill my doubt | I can't ignore |
| With a love I can't forget | My dreams (18) into reality |
| (Oh) finally | (Oh) finally |
| I breathe again | I (19) again |
| There are no (7) to describe it | There are no words to describe it |
| There's no way that I can hide it | There's no way that I can hide it |
| (Oh) no, finally | (Oh) no, finally |
| The (8) is gone | The (20) is gone |
| And I don't have to (9) this world alone | And I don't have to (21) (22) |
| Even though I (10) my way | (23) alone |
| With you, I'm finally home | Even though I lost my way |
| There (11) times | With you, I'm finally home |
