So all they do is fight

Fill in the gaps

High School by Nicki Minaj & Lil Wayne

He said he came from Jamaica	I tell her make me some money
He owned a couple acres	She tell me make me a wife
A couple fake Visas 'cause he never got his papers	I tell her, *****, you crazy
Gave up on love	**** wrong (5) you
******* with them heart breakers	And excuse my French, but I'm a long kisse
But he was getting money	And then she try to tell me
Nith the movers and the shakers	I'm the only one that's hitting
He was mixed with a couple things	And I say, what about them niggas
Ball like a couple rings	She say, what about them niggas
Bricks in the condo and	You right
Grams to Sing Sing	What you doing tonight
_eft arm, baby mother tatted	Put on something tight
Five year bid up, north on they ratted	Don't (6) me, I get life
Anyway, I felt him, helped him	She love me like a brother
Put him on lock	But **** me like a husband
Seat belt them	***** like a oven
Took him out to Belgium, welcome	Too hot to put my tongue in
****** this pretty, that's seldom	All I had to do is rub it
This box better than the box he was held in	The genie out the bottle
-I-I'm Momma Dee in that order	**** so wet
(1) him daddy (2) daughters	I'mma need goggles
He like it when I get drunk	She tell me that's it's mine
But I like it (3) he be sober	I (7) her stop lying
That's top of the toppa	Mine and who else
never **** (4) beginners	She say worry about yourself, Lil Tune
let him play with my *****	(They holler at me) but it's you, you
Then lick it off of his fingers, I'm in the zone	This ain't high school
(They holler at me) but it's you, you	Me and my crew
This ain't high school	We can slide through
Me and my crew	Give it to you whenever you want
We can slide through	Put it (8) you want
Give it to you whenever you want	Baby, it's yours
Put it wherever you want	Anywhere, everywhere
Baby, it's yours	Baby it's your world, ain't it (ain't it)
Anywhere, everywhere	Baby it's your world, ain't it
Baby it's your world, ain't it (ain't it)	I know you want it, boy, I see you trying
(Alright)	Just keep on pushing, I'm a let you slide in
Baby it's your world, ain't it	Just close your eyes and
She got a nigga at home	This horizon
And one on the side	It's ready, come get you some
Best friend is a dike	(Yeah, yeah, yeah)
They ***** around a few times	
Her and her mama alike
