

## Fill in the gaps

Any time we have a conversation	It's time to have a conversation
It's never (1) you wanna hear	Give it up (give it up)
It's funny how much words can hurt you	I'm never gonna hold you up (hold you up)
Even after all these years	You've always (7) afraid of love (afraid of love)
I (2) make an observation	It's time to have a conversation
About how you tear your world apart	The words you hear in your head
And every time I try to tell you	Were never said, were never said
You blame it on your fickle heart	The heart you break, you mistake
How they're hurting you (hurting you)	For me instead, for me instead
Whether they're deserting you (deserting you)	How they're hurting you (hurting you)
It's always so (3) to you (unfair to you)	Whether they're deserting you (deserting you)
It's time to have a conversation	It's always so unfair to you (unfair to you)
Give it up (give it up)	It's time to have a conversation
I'm never gonna hold you up (hold you up)	Give it up (give it up)
You've always been afraid of love (afraid of love)	I'm never gonna hold you up (hold you up)
It's time to have a conversation	You've always been afraid of love (afraid of love)
Waking up is never easy	It's time to have a conversation
So why don't you come over here	They're hurting you (hurting you)
Tell me about the dreams that haunt you	Whether they're deserting you (deserting you)
Tell me about your secret fears	It's (8) so unfair to you (unfair to you)
I wanna change your (4) perception	It's time to (9) a conversation
If only I could make you see	Give it up (give it up)
How it's all your own creation	I'm never gonna hold you up (hold you up)
That's (5) you this misery	You've always been afraid of love (afraid of love)
How they're hurting you (hurting you)	It's time to have a conversation
Whether they're deserting you (deserting you)	
It's (6) so unfair to you (unfair to you)
