Fill in the gaps

Bright Lights by Tynchy Stryder & Pixie Lott

Flash lights and the good life
Keep calling out my name
And I pray somehow
Something's gonna change
Bright lights in the skyline
Let me lose my way
Cause I know somehow
Something's gonna change
(Uh, uh) from the ground to the sky
And it wasn't overnight
Strydes
Last time running never went too well
Heart saying carry on
Head telling me forfeit
Glimpse of the high life
I (1) I (2) saw this
Now I want it all, want it all, I'm selfish
Felt (3) down like I caught a death sentence
Like Alan Sugar (4) me from The Apprentice
See my little weight, I must've lost half
Even Nando's
Won't send me a new (5) card
And there's all opinions and assumptions
Back to the gring
Back to the grind And there's more (6) it (7) from
And there's more (6) it (7) from
And there's more (6) it (7) from I (8) the life 'cause my life (9)

Bright lights got me feeling jolly
Never let you down, that's my word
You ain't gotta worry
Work for this
Don't (17) about you but I (18) for the
Couple labels said I wasn't worth the risk
Just another hoodrat hoodie with a black hat
He's just one of them looking for a purse to nick
Never (19) had a plan B
Stayed on point
I am sharper than a Stanley
Big star, flash car, looking trendy
I know I got my list high, took it by Kylie
From young I've been obsessed (20) the fame
Know you're in lane
'Cause your dreams (21) the same
Every day I pray, really wishing for a change
Dreams to reality and now I'm in the game
Flash lights and the good life
Keep (22) out my name
And I pray somehow
Something's gonna change
Bright lights in the skyline
Won't let me lose me way
'Cause I (23) somehow
Something's gonna change, yeah
Let me tell you when to take it down
This is the part where the (24) breaks down
Stay looking up, never facing down
Long as the bright lights are blazing down
Flash (25) and the good life
Keep calling out my name
And I pray somehow
Something's (26) change
Bright lights in the skyline
Won't let me lose me way
'Cause I know somehow
Something's gonna change
(Something's gonna change)
Ha ha
