SUB inglés

Fill in the gaps

Bright Lights by Tynchy Stryder & Pixie Lott

Flash (1) and the good life
Keep calling out my name
And I (2) somehow
Something's gonna change
Bright lights in the skyline
Let me lose my way
'Cause I (3) somehow
Something's gonna change
(Uh, uh) (4) the ground to the sky
And it wasn't overnight
Strydes
Last (5) (6) never went too well
Heart saying carry on
Head telling me forfeit
Glimpse of the high life
I wish I (7) saw this
Now I want it all, want it all, I'm selfish
Felt locked down like I caught a death sentence
Like Alan (8) me from The
Apprentice
See my little weight, I must've (10) half
Even Nando's
Won't (11) me a new black card
And there's all (12) and assumptions
Back to the grind
And there's more where it comes from
I love the life 'cause my life flash cameras on
Tell Cheryl Cole and Rihanna that I love them
From (13) I've (14) obsessed
(15) the fame
Know you're in lane
'Cause your dreams (16) the same
Every day I pray, really (17) for a change
Dreams to reality and now I'm in the game
Flash lights and the good life
Keep calling out my name
And I pray somehow
Something's gonna change
Bright lights in the skyline
Won't let me lose my way
'Cause I know somehow
Something's gonna change
Tell me how you feel
Do you (18) me or hate me
There's no pleasing everybody
Need to focus
Then he lost track, I'm (19) sorry

Fill in the gaps

Bright lights got me feeling jolly
Never let you down, that's my word
You ain't gotta worry
Work for this
Don't know about you but I work for this
Couple (20) said I wasn't worth the risk
Just another hoodrat hoodie with a black hat
He's just one of them looking for a purse to nick
Never (21) had a plan B
Stayed on point
I am sharper than a Stanley
Big star, flash car, looking trendy
I know I got my list high, took it by Kylie
From young I've been obsessed with the fame
Know you're in lane
'Cause your dreams were the same
Every day I pray, really wishing for a change
Dreams to (22) and now I'm in the game
Flash lights and the (23) life
Keep calling out my name
And I pray somehow
Something's gonna change
Bright (24) in the skyline
Won't let me lose me way
'Cause I know somehow
Something's gonna change, yeah
Let me tell you when to take it down
This is the part where the (25) breaks down
Stay (26) up, never (27)
down
Long as the bright (28) are blazing down
Flash lights and the good life
Keep calling out my name
And I pray somehow
Something's gonna change
Bright lights in the skyline
Won't let me lose me way
'Cause I (29) somehow
, ,
Something's gonna change
Something's gonna change (Something's gonna change)
Something's gonna change
