

See, he tastes like you only sweeter

Fill in the gaps

I'm gonna make you bend and	(Ohhhhhh)
I'm gonna make you bend and break	They say
(It sent you to me without wings)	I only think in the (16) of crunching numbers
Say a prayer, but let the good times roll	In hotel rooms
In case God doesn't show	Collecting page six lovers
(Let the good times roll, let the good times roll)	Get me out of my mind
And I want these words to make things right	Get you out of those clothes
But it's the wrongs	l'm a (17) away
That (1) the words (2) to life	From getting you into the mood
Who does he (3) he is?	One night and one (18) time
If that's the worst you got	Thanks for the memories
Better put your fingers back to the keys	Even though they weren't so great
One night and one (4) time	He tastes like you only sweeter
Thanks for the memories	One night yeah, and one more time
Even though they weren't so great	Thanks for the memories
He tastes like you only sweeter	Thanks for the memories
One (5) yeah, and one (6) time	See, he (19) like you only sweeter
Thanks for the memories	(Ohhhhhh)
Thanks for the memories	One more night (one more night)
See, he tastes like you (7) sweeter	And one more (20) (one more time)
(Ohhhhhh)	Thanks for the memories
I'm looking forward to the future	Even though they weren't so great
But my (8) is going bad	He (21) you only sweeter
And (9) crystal ball	One more night (one more night)
It's always cloudy	And one more time (one more time)
Except for (except for)	Thanks for the memories
When you look into the (10) (look (11)	Even though (23) weren't so great
the past)	He tastes like you only sweeter
One night stand	One (24) yeah (one more night)
One (12) stand	And one more (25) (one (26) time)
One (13) and one more time	Thanks for the memories
Thanks for the memories	Thanks for the memories
Even (14) they weren't so great	See, he (27) like you only sweeter
He tastes like you only sweeter	(Ohhhhhh)
One (15) yeah, and one more time	
Thanks for the memories	
Thanks for the memories
