

Fill in the gaps

Breathe A Little Louder by Ciudad Pasarela

I'll give you everything you want	Breathe a little louder dear
But it's (1) you need that really does	'Cause I've forgotten what you sound like
it	Maybe you're (14) testing deeper waters of
With satisfaction guaranteed yeah	(15) soul
You never really (2) to cross the line	Maybe you're alive but somebody didn't tell you
No one (3) told you	That you (16) to breathe
That the world outside your shell's a little different	Doing the rounds on your best friend's arm
Pride's just a way of life yeah	The TV (17) with your natural light
The fall will land you on your (4) (5) fine	Fake the way they see you honey
Breathe a little louder dear	Let (18) know that you can party all night
'Cause I've forgotten what you sound like	Breathe a little louder dear
Maybe you're just testing deeper waters of your soul	'Cause I've forgotten (19) you sound like
Maybe you're alive but somebody didn't (6) you	Maybe you're just testing deeper waters of your soul
That you (7) to breathe	Maybe you're alive but (20) didn't tell you
You're going back to (8) you came from	That you need to breathe
'Cause it's just a bit too real (9) on the outside	Breathe a little louder dear
And the (10) you crave comes up	'Cause I've forgotten what you (21) like
Against the (11) (12) on the	Maybe you're just testing deeper waters of (22)
street	soul
Perfect eyes and makeup	Maybe you're alive but (23) didn't tell you
Make the perfect mask for what you can't be feeling	That you need to breathe
The nightmare that's behind the smile	
That's plastered on at every (13) and greet
