No one ever told you	Maybe you're alive but somebody didn't tell you
That the world outside your shell's a little different	That you need to breathe

The fall will land you on your (2) just fine	The TV glows with your natural light

And the fanciness you crave comes up	'Cause I've forgotten what you sound like
Against the little people on the street	Maybe you're just testing deeper waters of your soul

Make the perfect mask for (6) you can't be feeling	That you need to breathe
