

Gonna fight (4)\_\_\_\_\_ I can't

## Fill in the gaps

The world spit me out	Spin and say	
And now we're spinning around	You can turn me down	
Lost in a free fall	You can throw me now	
Forever going down	The harder out, the harder I come back around	
And breaking through the ground	You can break my heart	
When I (1) I reached the end	But you can't (5) my name	
I start to fall again	I can take the hit	
But I'll start	'Cause I'm a boomerang	
To (2) surrender		
When it's hard to get up	I'm a boomerang	
Gonna fight till I can spin and say		
You can turn me down	I'm a boomerang	
You can throw me now	Even though I'm (6) high	
The harder out, the harder I come back around	The sky can change one day	
You can break my heart	I can hit some turbulence	
But you can't scratch my name	But who I am is never gonna change	
I can take the hit	'Cause I'm a boomerang	
Cause I'm a boomerang	'Cause I'm a boomerang	
	'Cause I'm a boomerang	
I'm a boomerang	You can turn me down	
	You can throw me now	
I'm a boomerang	The (7) out, the harder I come ba	ick around
Now I'm ten feet tall	You can break my heart	
All my problems feel so small	But you can't scratch my name	
Nothing in my way to (3) me change	I can take the hit	
No ceiling to my sky	'Cause I'm a boomerang	
Just open space to fly		
Every time I'm feeling down	I'm a boomerang	
I turn it back around		
But I'll start	I'm a boomerang	
To never surrender		
When it's hard to get up
