

Fill in the gaps

Here in this diary	2015 Riverside
I write you visions of my summer	It's time to say, "goodbye."
It was the (1) I (2) had	Get on the bus, it's (13) to go
There were choruses and sing-alongs	Being grown up isn't (14) as fun as growing up
And that (3) feeling	These are the best (15) of our lives
Of (4) right now is all that matters	The only (16) that matters
All the nights we stayed up talking	Is just following your heart
And (5) to 80's songs	And eventually you'll (17) get it right
Quoting lines (6) all those (7) that	Get it right
we love	Get it right
It still brings a smile to my face	Being grown up isn't half as fun as growing up
I guess when it comes (8) to it	These are the (18) days of our lives
Being grown up isn't (9) as fun as growing up	The only thing (19) matters
These are the best (10) of our lives	Is just following your heart
The (11) thing that matters	And eventually you'll finally get it right
Is just following (12) heart	Being (20) up (being (21) up)
And eventually you'll finally get it right	Isn't half as fun as (22) up
Breaking into hotel swimming pools	These are the best days of our lives
And wreaking havoc on our world	The only thing that matters
Hanging out at truck stops just to pass the time	ls (23) your heart
The black top's singing me to sleep	And (25) you'll finally get it right
Lighting fireworks in parking lots	
Illuminate the blackest nights	
Cherry cokes under this moonlight summer sky
