

Fill in the gaps

Forever And For Always by Shania Twain

	Wanna wake up ever morning to (6) sweet face
In (1) (2) I can still feel the way	Always
You want me when you hold me	(I wanna wake up every morning)
I can still hear the words you whispered	In your eyes
When you told me	(I can still see the look of the one)
I can stay right here forever in your arms	I can still see the look of the one who really loves me
And there ain't no way	(I can still feel the way that you (7) me)
I'm letting you go now	The one who wouldn't put anything else
And there ain't no way	In the (8) above me
And there ain't now how	(I can still see love for me)
Never see that day	I can still see love for me in your eyes
'Cause I'm keeping you forever and for always	(I can still see love)
We will be together all of our days	And there ain't no way
Wanna wake up every (3) to (4)	I'm lettin' you go now
sweet face	And there ain't no way
Always	And there ain't no how
(Mmm, baby)	I'll never see that day
In your heart	'Cause I'm keeping you forever and for always
I can still hear a beat for every time you kiss me	We will be together all of our days
And when we're apart	Wanna wake up every morning to your sweet face
I know how much you miss me	I'm keeping you forever and for always
I can feel your love for me in your heart	We (9) be together all of our days
And there ain't no way	Wanna wake up every morning to your sweet face
I'm lettin' you go now	I'm keeping you forever and for always
And there ain't no way	
And there ain't no how	In your arms
I'll never see that day	
'Cause I'm keeping you forever and for always	
We (5) be together all of our days
