

Fill in the gaps

Forever And For Always by Shania Twain

	vvanna wake up ever (10) to your
In your arms I can still feel the way	(11) face
You (1) me (2) you hold me	Always
I can still hear the words you whispered	(I wanna wake up every morning)
When you told me	In your eyes
I can stay right here forever in your arms	(I can still see the look of the one)
And there ain't no way	I can (12) see the look of the one who
I'm letting you go now	(13) loves me
And there ain't no way	(I can still (14) the way that you (15)
And there ain't now how	me)
Never see that day	The one who wouldn't put (16) else
'Cause I'm keeping you forever and for always	In the (17) above me
We will be together all of our days	(I can still see love for me)
Wanna wake up every morning to your sweet face	I can (18) see love for me in your eyes
Always	(I can (19) see love)
(Mmm, baby)	And there ain't no way
In (3) heart	I'm lettin' you go now
I can still hear a beat for every (4) you	And there ain't no way
(5) me	And (20) ain't no how
And when we're apart	I'll never see that day
I (6) how much you miss me	'Cause I'm keeping you (21) and for always
I can (7) your love for me in your heart	We will be together all of our days
And there ain't no way	Wanna wake up every morning to (22) sweet face
I'm lettin' you go now	I'm (23) you forever and for always
And there ain't no way	We will be together all of our days
And (8) ain't no how	Wanna (24) up every (25) to
I'll (9) see that day	your sweet face
'Cause I'm keeping you forever and for always	I'm keeping you forever and for always
We will be together all of our days	
	In (26) arms
