Forever And For Always by Shania Twain

		Wanna wake up ever morning to (4) sweet face)
In your (1)	I can still feel the way	Always	
You want me when you hold me		(I wanna wake up every morning)	
I can still (2) the words you whispered		In your eyes	
When you told me		(I can still see the look of the one)	
I can stay right here forever in your arms		I can (5) see the look of the one who really lo	oves
And there ain't no way		me	
I'm letting you go now		(I can still (6) the way that you want me)	
And there ain't no way		The one who wouldn't put anything else	
And there ain't now how		In the world above me	
Never see that day		(I can still see love for me)	
Cause I'm keeping you forever and for always		I can still see love for me in your eyes	
We will be together all of our days		(I can still see love)	
Wanna wake up every morning to your sweet face		And there ain't no way	
Always		I'm lettin' you go now	
(Mmm, baby)		And there ain't no way	
In your heart		And there ain't no how	
I can still hear a beat for every time you kiss me		I'll never see that day	
And when we're apart		'Cause I'm keeping you forever and for always	
I know how much you miss me		We will be together all of our days	
I can feel your love for me in your heart		Wanna wake up every morning to your sweet face	
And there ain't no	o way	I'm keeping you (7) and for always	
I'm lettin' you go now		We will be together all of our days	
And there ain't no way		Wanna (8) up every morning to your sweet face	Э
And there ain't no how		I'm keeping you (9) and for always	
I'll never see that day			
Cause I'm (3)	you forever and for always	In your arms
