Like We Used To by A Rocket To The Moon

I can feel her breath as she's sleeping next to me	When you've seen it a million times?
Sharing pillows and cold feet	Does he sing to all your music
She can feel my (1) fell asleep to its beat	While you dance to purple rain?
Under blankets and (2) sheets	Does he do all these things, like I used to?
If only I could be in that be again	I know love
If only it (3) me instead of him	(I'm a sucker for that feeling)
Does he watch your favorite movies?	Happens all the time love
Does he hold you when you cry?	(I always end up feeling cheated)
Does he let you tell him all (4) favorite parts	You're on my mind love
When you've seen it a million times?	(Or so that matters when I need it)
Does he sing to all your music	That (9) all the time love (yeah)
While you dance to purple rain?	Will he love you like I loved you?
Does he do all these things, like I (5) to?	Will he tell you every day?
Fourteen months and seven days ago	Will he make you feel like you're invincible
Oh, I know you know	With every word he'll say?
How we felt about that night	Can you promise me if this was right
Just your skin against the window	Don't throw it all away?
Oh, we took it slow and we both know	Can you do all these things?
It should have been me inside that car	Will you do all these things?
It should have been me (6) of him in the	Like we used to
dark	Oh, like we used to
Does he watch your favorite movies?	
Does he (7) you (8) you cry?
