

## Fill in the gaps

## Like We Used To by A Rocket To The Moon

I can feel her breath as she's (1)	When you've seen it a million times?
(2) to me	Does he (14) to all your music
Sharing (3) and (4) feet	While you (15) to purple rain?
She can feel my heart (5) asleep to its beat	Does he do all these things, (16) I (17)
Under blankets and warm sheets	to?
If (6) I could be in (7) be again	I know love
If only it (8) me instead of him	(I'm a (18) for that feeling)
Does he watch your favorite movies?	Happens all the time love
Does he (9) you when you cry?	(I always end up feeling cheated)
Does he let you tell him all your favorite parts	You're on my mind love
When you've seen it a (10) times?	(Or so (19) matters (20) I need it)
Does he sing to all (11) music	That happens all the time love (yeah)
While you dance to (12) rain?	Will he love you like I (21) you?
Does he do all these things, like I used to?	Will he (22) you every day?
Fourteen months and seven days ago	Will he (23) you (24) like you're
Oh, I know you know	invincible
How we felt about that night	With every word he'll say?
Just your skin (13) the window	Can you promise me if this was right
Oh, we took it slow and we both know	Don't throw it all away?
It should have been me inside that car	Can you do all (25) things?
It should have been me instead of him in the dark	Will you do all (26) things?
Does he watch your favorite movies?	Like we used to
Does he hold you when you cry?	Oh, (27) we used to
Does he let you tell him all your favorite parts
