The Phoenix by Fall Out Boy

When you're waiting for the song to start So dance alone to the beat of your heart

Fill in the gaps

Put on your war paint	Hey (5) blood
You are a brick tied to me (1) dragging	Doesn't it feel like our time is running out?
me down	I'm gonna change you like a remix
Strike a match and I'll burn you to the ground	Then I'll raise you like a phoenix
We are the Jack 'o (2) in July	Wearing all vintage misery
Setting fire to the sky	No, I think it looked a little better on me
Here he comes this rising tides	I'm gonna (6) you like a remix
So come on	Then I'll raise you like a phoenix
Put on your war paint	Put on your war paint
Crossed marks and crossed hearts	The war is won
And hope to die	Before (7) begun
Sue the clouds with red lining	Release the doves
So we can take the world back from the heart attack	Surrender love
One maniac at a time	The war is won
We will take it back	Before it's begun
You know (3) crawls on	Release the doves
When you're waiting for the song to start	Surrender love
So dance alone to the beat of your heart	The war is won
Hey young blood	Before it's begun
Doesn't it feel like our time is running out?	Release the doves
l'm gonna change you like a remix	Surrender love
Then I'll raise you like a phoenix	The war is won
Wearing all vintage misery	Before it's begun
No, I think it looked a little better on me	Release the doves
l'm gonna change you like a remix	Surrender love
Then I'll raise you like a phoenix	Hey young blood
Bring home the boys	Doesn't it feel like our time is running out?
And scrap, scrap metal the tanks	I'm gonna change you like a remix
Get hitched	Then I'll raise you like a phoenix
Make a career out of robbing banks	Wearing all vintage misery
Because the world is just a terror	No, I think it (8) a little better on me
And we are wearing black masks	I'm gonna change you like a remix
So rock our spirits	Then I'll raise you like a phoenix
And you'll know (4) passed	Hey young blood
So we can take the world back	Doesn't it feel like our time is running out?
From the heart attack	I'm gonna change you (9) a remix
One maniac at a time	Then I'll raise you like a phoenix
We will take it back	Put on your war paint
You know time crawls on
