

## Fill in the gaps

Say my name, and his in the same breath,
Dare you to say they taste the same
Let the leaves fall off in the summer
And let December glow in flames
Brace myself and let go
Start it over again in Mexico
These friends, they don't love you
They just love the hotel suites, now
I don't care what you think
As long as it's about me
The best of us can find happiness in misery
Said, I don't care what you think
As (1) as it's (2) m
The best of us can find happiness in misery
Take a chance, let your body get a tolerand
I'm not a chance
But a heat (3) in your pants pull
A breath like another cigarette
Palms up, I'm trading 'em (trading 'em)
I'm the (4) in my chest
Let the guitar scream like a fascist
Sweat it out, shut your mouth
Free love on the streets, but
In the alley and I ain't that cheap, now
I don't care what you think
As long as it's about me
