She says she's no good with words but I'm worse
Barely stuttered out a joke
Of a romantic or stuck to my tongue
Weighed down with words too over-dramatic
Tonight it's "it can't get much worse"
Vs. "no one should ever (1) like"
I'm two quarters and a heart down
And I don't want to forget how your voice sounds
These words are all I have so I'll write them
So you need them just to get by
Dance, dance
We're falling apart to half time
Dance, dance
And these are the lives you'd love to lead
Dance, this is the way they'd love
If (2) knew how misery loved me
You always fold just before you're found out
Drink up its last call, last resort
But only the first mistake and I
I'm two (3) and a heart down
And I don't want to forget how your voice sounds
These words are all I have so I'll write them
So you need them just to get by
Why don't you show me the little bit of spine
You've been (4) for his mattress, love
Dance, dance
We're falling (5) to half time
Dance, dance

And these are the lives you'd love to lead
Dance, (6) is the way they'd love
If (7) knew how misery (8) m
Why don't you show me the little bit of spine
You've been saving for his mattress
(Mattress, mattress)
I only want (9) in the form of you
Crawling into bed with me
Dance, dance
We're falling apart to half time
Dance, dance
We're falling (10) to half time
Dance, dance
And these are the lives you'd love to lead
Dance this is the way they'd love (way they'd love)
Dance this is the way they'd love (way they'd love)
Dance this is the way they'd love
If they knew how misery loved me
Dance, dance
