

Can't count the years on one hand

That we've been together

I need the other one to hold you

Make you feel, make you feel better

It's not a walk in the park

To love each other

But when our fingers interlock

Can't deny, can't deny you're worth it

'Cause after all this time

I'm still into you

I should be over all the butterflies

But I'm into you (I'm in to you)

And baby even on our worst nights

I'm (1)_____ you (I'm into you)

Let 'em wonder how we got this far

'Cause I don't really need to wonder at all

Yeah after all this time

I'm still into you

Recount the (2)_____ that I first

Met your mother

And on the drive back to my house

I told you that, I told you that I loved ya

You felt the weight of the world

Fall off your shoulder

And to your favorite song we (3)_____ along

To the start of forever

And after all this time

I'm still into you

I should be over all the butterflies

Fill in the gaps

But I'm into you (I'm (4) you)
And baby even on our worst nights
I'm into you (I'm into you)
Let 'em wonder how we got this far
'Cause I don't really need to (5) at all
Yeah (6) all this time
I'm still into you
Some things just
Some things just make sense
And one of those is you and I
Some things just
Some (7) just make sense
And even after all this time
I'm into you
Baby, not a day goes by that I'm not
Into you
I should be over all the butterflies
But I'm into you (I'm in to you)
And baby even on our worst nights
I'm into you (I'm into you)
Let 'em wonder how we got this far
'Cause I don't really (8) to wonder at all
Yeah after all this time
I'm (9) into you
I'm still into you
I'm still into you
