

Fill in the gaps

Can't (1) the years on one hand	But I'm into you (I'm into you)
That we've been together	And (13) even on our worst nights
I need the (2) one to (3) you	I'm into you (I'm into you)
Make you feel, make you feel better	Let 'em (14) how we got this far
It's not a walk in the park	'Cause I don't (15) need to wonder at all
To love each other	Yeah after all this time
But (4) our fingers interlock	I'm (16) into you
Can't deny, can't deny you're worth it	Some (17) just
Cause after all this time	Some things just make sense
I'm still into you	And one of (18) is you and I
I should be over all the butterflies	Some (19) just
But I'm into you (I'm in to you)	Some things just make sense
And baby even on our worst nights	And (20) after all this time
I'm into you (I'm into you)	I'm (21) you
Let 'em wonder how we got (5) far	Baby, not a day goes by that I'm not
Cause I don't (6) need to (7)	Into you
at all	I should be over all the butterflies
Yeah (8) all this time	But I'm (22) you (I'm in to you)
I'm still into you	And baby (23) on our worst nights
Recount the night (9) I first	I'm into you (I'm into you)
Met your mother	Let 'em wonder how we got this far
And on the drive back to my house	'Cause I don't really need to wonder at all
I told you that, I (10) you that I loved ya	Yeah (24) all (25) time
You felt the (11) of the world	I'm still into you
Fall off your shoulder	I'm still (26) you
And to your favorite song we sang along	I'm still into you
To the start of forever	
And after all this time	
I'm (12) into you	
I should be over all the butterflies
