

Fill in the gaps

Can't count the years on one hand	But I'm into you (I'm into you)
That we've been together	And baby even on our worst nights
I (1) the other one to (2) you	I'm into you (I'm into you)
Make you feel, make you feel better	Let 'em wonder how we got this far
It's not a walk in the park	'Cause I don't really (7) to wonder at a
To (3) each other	Yeah after all this time
But when our fingers interlock	I'm still into you
Can't deny, can't deny you're worth it	Some things just
'Cause after all this time	Some things just make sense
I'm still into you	And one of those is you and I
I should be over all the butterflies	Some things just
But I'm into you (I'm in to you)	Some things just make sense
And baby even on our worst nights	And even (8) all this time
I'm into you (I'm into you)	I'm into you
Let 'em wonder how we got this far	Baby, not a day goes by that I'm not
'Cause I don't really need to wonder at all	Into you
Yeah after all this time	I should be over all the butterflies
I'm still into you	But I'm into you (I'm in to you)
Recount the night that I first	And baby even on our worst nights
Met your mother	I'm into you (I'm into you)
And on the drive back to my house	Let 'em wonder how we got this far
I told you that, I (4) you (5) I loved ya	'Cause I don't really need to wonder at all
You felt the weight of the world	Yeah (9) all this time
Fall off your shoulder	I'm still into you
And to your favorite song we sang along	I'm still into you
To the start of forever	I'm still into you
And after all this time	
I'm still into you	
I should be (6) all the butterflies
