

## Fill in the gaps

We're in the world's of forgotten	Sometimes you're better (13) than to be see
They're (1) inside your memory	Don't (14) away
You're dragging on, your heart's been broken	From the arms of a moment
As we all go down in history	Don't look away
Where in the (2) did the (3) go?	From the (15) of tomorrow
It's where your spirit seems to roam	Don't (16) away
Like losing faith to our abandon	From the (17) of a moment
Or an (4) hallway (5)	a Don't (18) away
(6) home	From the arms of love
Don't look away	Don't (19) away
From the (7) of a bad dream	From the arms of a bad dream
Don't look away	Don't look away
Sometimes you're better lost (8) to be seen	Sometimes you're better (20) than to be see
I don't feel strange, it's more like haunted	Don't look away
Another moment trapped in time	From the (21) of a moment
I can't quite put my finger on it	Don't look away
But it's like a child that was left behind	From the (22) of tomorrow
So where in the world's the forgotten?	Don't look away
Like soldiers from a long lost war	From the arms of a moment
We share the (9) (10) our aband	on Don't look away
And what we remember becomes folklore	From the arms of love
Well, don't look away	
From the (11) of a bad dream	
Don't (12) away
