## Give Me Love by Ed Sheeran

## Fill in the gaps

Give me love like her	G
'Cause lately I've been waking up alone	(1
Paint splattered teardrops on my shirt	G
Told you I'd let them go	(1
And that I'll fight my corner	G
Maybe tonight I'll call ya	(1
After my blood turns into alcohol	G
No, I just wanna (1) ya	(1
Give a little time to me or burn this out	G
We'll play (2) and seek to turn this around	(1
All I want is the taste that your lips allow	G
My, my, my, my, oh give me love	(1
My, my, my, my, oh give me love	G
My, my, my, my, oh (3) me love	L
Give me (4) like never before	(1
'Cause lately I've been craving more	G
And it's been a (5) but I (6) feel the	(1
same	G
Maybe I should let you go	(1
You know I'll fight my corner	G
And that tonight I'll call ya	G
After my blood is drowning in alcohol	(1
No I just wanna hold ya	G
Give a little time to me or (7) this out	L
We'll play hide and seek to turn this around	(1
All I want is the taste that your lips allow	G
My, my, my, my, oh (8) me love	M
Give a little time to me, or burn this out	M
We'll play hide and (9) to turn this around	M
All I want is the taste that your lips allow	M
My, my, my, my, oh (10) me love	
My, my, my, my, oh give me love	
My, my, my, oh give me love
