

I gasp for air

## Fill in the gaps

Puttin' my defenses up	It feels so good but you know it hurts
Cause I don't wanna fall in love	But you make me wanna act (8) a girl
If I ever did that	Paint my nails and wear perfume for you
I (1) I'd have a (2) attack	Make me so nervous
Never put my love out on the line	That I just can't hold your hand
Never said yes to the right guy	You make me glow
Never had trouble gettin' what I want	But I cover up won't let it show
But when it comes to you I'm never good enough	So I'm puttin' my defenses up
When I don't care	'Cause I don't wanna fall in love
l can play 'em like a Ken doll	If I ever did that
Won't wash my hair	I think I'd have a heart attack
Then make 'em bounce like a basket ball	I think I'd have a heart attack
But you make me wanna act like a girl	I think I'd have a heart attack
Paint my (3) and wear (4) heels	The feelings got lost in my lungs
Yes you	They're burning I'd (9) be numb
Make me so nervous	And there's no one else to blame
That I just can't hold your hand	So scared I take off and I run
You make me glow	I'm flying too close to the sun
But I cover up won't let it show	And I burst into flames (flames)
So I'm puttin' my (5) up	You make me glow
'Cause I don't wanna fall in love	But I cover up won't let it show
If I ever did that	So I'm puttin' my defenses up
I think I'd have a heart attack	'Cause I don't wanna fall in love
I (6) I'd have a heart attack	If I ever did that
I think I'd have a heart attack	I think I'd have a heart attack
Never break a sweat for the other guys	I think I'd have a heart attack (attack)
When you come around I get paralyzed	I think I'd have a heart attack (attack)
And every (7) I try to be myself	I (10) I'd have a heart attack
It comes out wrong like a cry for help	I think I'd have a heart attack
It's just not fair	
Pain's more trouble that love is worth
