	Treat the people I love like I wanna be loved
When I'm nervous	This is a lesson learned
I have this thing, yeah	I hate that I let you down
I (1) too much	And I feel so bad about it
Sometimes I just can't shut the hell up	I guess karma comes back around
It's like I need to tell someone	'Cause now I'm the one that's hurting, yes
Anyone who'll listen	And I hate that I made you think
And that's where I seem to **** **	That the trust we had is broken
Yeah, I forget (2) the consequences	So don't tell me you can't forgive me
For a minute there I lose my senses	'Cause nobody's perfect
And in the heat of the moment	No, no, no, no, no, no
My mouth starts going	No, no, no, no, no, no, no, no
The (3) start (4) (oh)	Nobody's perfect
But I never meant to hurt you	
I know it's time that I learned to	No, no, no, no, no, no, no
Treat the people I love (5) I wanna be loved	I'm not a saint
This is a (6) learned	No, not at all
I hate that I let you down	But what I did
And I feel so bad about it	That wasn't cool
I guess karma comes (7) around	But I swear that I'll never
'Cause now I'm the one that's hurting	Do that again to you
And I hate (8) I made you think	I'm not a saint (I'm not a saint)
That the trust we had is broken	No, not at all (no, not at all)
So don't tell me you can't forgive me	But what I did (but what I did)
'Cause nobody's perfect	That wasn't cool (that wasn't cool)
No, no, no, no, no, no, no, no, no	But I swear that I'll never
No, no, no, no, no, no	Do that again to you
Nobody's perfect	And I hate that I let you down
No	And I feel so bad about it
If I (9) turn back the hands of time	I guess karma comes back around
I swear I (10) would've crossed that line	'Cause now I'm the one that's hurting, yes
I should of kept it between us	And I hate that I made you think
But, Jessie	That the trust we had is broken
Went and told the whole world how I feel and (oh)	So don't tell me you can't forgive me
So I sit and I realize	'Cause nobody's perfect
With these tears falling from my eyes	No, no, no, no, no, no
I gotta change if I wanna keep you forever	No, no, no, no, no, no, no, no, no
I promise that I'm gonna try	Nobody's perfect
But I never meant to hurt you	
I know it's time that I learned to
