

Fill in the gaps

I (1) it's funnier from where you're standing	Behind the glass
'Cause from (2) here I've missed the joke	Go ahead and laugh
Cleared the way for my crash landing	'Cause it's funny
I've (3) it again	I would too if I saw me
Another (4) for your notes	I'll be your clown
I'd be smiling if I wasn't so desperate	On your favorite channel
I'd be patient if I had the time	My life's a circus, circus
I could stop and answer all of your questions	Rounding circles
As soon as I (5) out	I'm selling out tonight
How I could move from the back of the line	From a distance my choice is simple
I'll be your clown	From a distance I can entertain
Behind the glass	So you can see me I put make-up on my face
Go ahead and laugh	But there's no way you can feel it
'Cause it's funny	From so far away
I (6) too if I saw me	I'll be your clown
I'll be your clown	Behind the glass
On your favorite channel	Go ahead and laugh
My life's a circus, circus	'Cause it's funny
Rounding circles	I would too if I saw me
I'm selling out tonight	I'll be your clown
I'd be less angry if it was my decision	On your (9) channel
And the money was just rolling in	My life's a circus, circus
If I had more than my ambition	Rounding circles
I'll have time to please	I'm selling out tonight
I'II (7) time to (8) you as soon as I	
win	
I'll be your clown
