

I'll be waiting...

## Fill in the gaps

(I (1) to say goodbye)	Time after time
(But why, Boris, why?)	After my picture fades
(I've made up my mind)	And darkness has turned to gray
	<b>,</b>
(I'm going away)	Watching through windows
(Then I shall be alone)	You're wondering if I'm ok
(That (2) into the dessert you've (3) of)	Secrets stolen From (12) inside
,	The drum (13) out of time
(You will take it alone) (What else can I do?)	If you're (14) you can look
(Once you said to me)	And you (15) find me
(That peace and happiness may be found there)	Time (16) time
(You (4) me hope)	If you (17) I will catch you
(And now)	I'll be waiting Time after time
(Now you have to say goodbye)	You said
(Goodbye)	Go slow
Lying in my bed	
1 (5) the (6) tick	I fall behind
And think of you	The second hand unwinds
Caught up in circles	If you're (18) you can look
Confusion is nothing new	And you will find me
Flashback	Time after time
Warm nights	If you (19) I will (20) you
Almost left behind	I'll be waiting
Suitcases of memories	Time after time
Time after	If you're (21) you can look
Sometimes you (7) me	And you will find me
I'm walking too far ahead	Time (22) time
You're (8) to me	If you fall I will catch you
I can't hear what you've said	I'll be waiting
Then you say	Time after time
Go slow	Time after time
I fall behind	Time after time
The (9) hand unwinds	Time (23) time
If you're lost you can look	Time after time
And you will find me	Time after time
Time after time	Time after time
If you fall I (10) catch you	Time after time
I'll be waiting	Time after time
Time after time	Time (24) time
If you're lost you can look	(Time after)
And you will find me	(Time)
Time after time	
If you fall I will (11) you
