Time After Time by Cyndi Lauper

Fill in the gaps

(I come to say goodbye)	Time after time
(But why, Boris, why?)	After my picture fades
(I've made up my mind)	And darkness has turned to gray
(I'm going away)	Watching (8) windows
(Then I shall be alone)	You're wondering if I'm ok
(That (1) into the dessert you've spoken of)	Secrets stolen
(You will take it alone)	From deep inside
(What (2) can I do?)	The drum beats out of time
(Once you said to me)	If you're lost you can look
(That peace and happiness may be found there)	And you will find me
(You gave me hope)	Time after time
(And now)	If you (9) I will catch you
(Now you have to say goodbye)	I'll be waiting
(Goodbye)	Time after time
Lying in my bed	You said
I hear the clock tick	Go slow
And think of you	I fall behind
Caught up in circles	The second hand unwinds
Confusion is nothing new	If you're (10) you can look
Flashback	And you will find me
Warm nights	Time after time
Almost left behind	If you fall I will catch you
Suitcases of memories	I'll be waiting
Time after	Time after time
Sometimes you picture me	If you're lost you can look
I'm walking too far ahead	And you will find me
You're calling to me	Time after time
I can't (3) what you've said	If you fall I will catch you
Then you say	I'll be waiting
Go slow	Time after time
I fall behind	Time after time
The second hand unwinds	Time after time
If you're lost you can look	Time after time
And you will (4) me	Time after time
Time (5) time	Time after time
If you fall I will catch you	Time after time
I'll be waiting	Time after time
Time after time	Time after time
If you're lost you can look	Time after time
And you will find me	(Time after)
Time (6) time	(Time)
If you (7) I will catch you	
I'll be waiting
