## Angel Of The Morning by Juice Newton

There'll be no strings to bind your hands		Just call me (5) of the m	orning angel
Not if my love can't bind your heart		Just touch my cheek before you leave me, baby	
There's no need to take a stand		Just call me angel of the (6)	angel
For it was I who chose to start		Then slowly turn away, I won't beg you to stay with me	
I see no need to (1) me home		Through the tears of the day, of the years, baby	
I'm old enough to (2) the dawn		Just call me angel of the morning angel	
Just call me angel of the morning angel		Just touch my cheek before you leave me, baby	
Just touch my cheek (3) you leave me, baby		Just call me angel of the morning angel	
Just call me angel of the morning angel		Just touch my cheek before you leave me, darling	
Then slowly turn away from me		Just call me (7) of the	e (8)
Maybe the sun's light will be dim		angel	
And it won't matter anyhow		Just touch my cheek before you leave me, darling	
If morning's echoes say w	e've sinned		
Well, it was what I wanted now		©EMI (9)	_ MUSIC INC.
And if we're victims of the	night		
I won't be (4)	by the light
