

## Fill in the gaps

### Rolling In The Deep (Cover) (Live) by VÃ¡zquez Sounds & Camila (Piano)

...

There's a fire starting in my heart

Reaching a fever pitch and it's bringing me out the dark

Finally, I can see you crystal clear

Go ahead and (1)\_\_\_\_\_ me out and I'll lay your  
(2)\_\_\_\_\_ bare

See how I'll leave every piece of you

Don't underestimate the things that I will do

There's a (3)\_\_\_\_\_ starting in my heart

Reaching a (4)\_\_\_\_\_ pitch and it's bring me out the  
dark

The (5)\_\_\_\_\_ of your love remind me of us

They keep me thinking that we almost had it all

The scars of your love, they leave me breathless

I can't help feeling

We could have had it all...

Rolling in the deep...

You had my (6)\_\_\_\_\_ inside your hand

But you played it with the beat

Baby, I have no story to be told

But I've heard one on you

And I'm gonna make your head burn

Think of me in the depths of your despair

Make a home down there as mine (7)\_\_\_\_\_ won't be  
shared

The scars of your love remind me of us

They keep me thinking that we almost had it all

The scars of your love, they leave me breathless

I can't help feeling...

We could have had it all...

Rolling in the deep...

You had my heart (8)\_\_\_\_\_ your hand

But you played it with the beat

We could have had it all...

Rolling in the deep...

You had my (9)\_\_\_\_\_ inside your hand

But you played it with a beating

Throw your soul through every open door

Count your blessings to find what (10)\_\_\_\_\_ look for

Turn my sorrow into treasured gold

You'll pay me back in kind

And reap just what you've sown

We could have had it all... (un aplauso México)

We could have had it all...

It all, it all, it all

We could have had it all...

Rolling in the deep...

You had my heart inside your hand

But you played it with the beat

We could have had it all...

Rolling in the deep...

You had my heart inside your hand

But you played it

You played it

You played it

You played it to the beat

## Fill in the gaps

Answer

1. sell
