God Is A River (Live) by Peter Mayer

| In the ever-shifting (1) | of the river of this life | But the river (14) on com | ing | |
|---|---------------------------|-----------------------------------|--------------------|--|
| I was swimming, seeking comfort | | Kept on tugging at my legs | | |
| I was wrestling waves to find | | Till at last my (15) | faltered | |
| A (2) I could cling to, a stone to hold me | | And I was swept away | | |
| fast | | So I'm going with the flow now | | |
| Where I let the (3) | _ waters | These (16) | _ twists and bends | |
| Of this (4) 'round me pass | | Acclimating to the motion | | |
| And so I (5) | an anchor, a blessed | And a (17) of (18) | led | |
| (6) place | | And (19) river's like my body now | | |
| A trusty (7) I called my savior | | It (20) me along | | |
| For there I would be safe | | Through the ever-changing scenes | | |
| From the river and its dangers | | And by the rocks that sing (21) | song | |
| And I proclaimed my rock divine And I prayed to it "protect me" | | God is a river, not just a stone | | |
| | | God is a wild, raging rapids | | |
| And the rock replied | | And a slow, meandering flow | | |
| God is a river, not just a stone | | God is a deep and (22) | passage | |
| God is a wild, (8) r | apids | And a peaceful, sandy shoal | | |
| And a slow, (9) | flow | God is a river, swimmer | | |
| God is a deep and narrow passage | | So let it go | | |
| And a peaceful, sandy shoal | | God is the river, swimmer | | |
| God is a river, swimmer | | So let it go | | |
| So let it go | | | | |
| Still I (10) to my (11) | tightly | | | |
| With conviction in my arms | | | | |
| Never (12) at th | e stream | | | |
