Everything You Didn't Do by Jamie Cullum

I will (1) you in the city		Everything you didn't do
When it's lit up by the stars		Standing right in front of you
In the moonlight we're all pretty		I don't even (6) what to say
'Cause it papers all the scar		About every little thing
Ever feel like you belong		'Cause I'm tired and I (7) to go to sleep
To a story you ain't heard		It's so clear now
Doesn't matter if it's your song		It's so clear now
And you don't know all the words		It's so (8) now
We (2) put up the sun		It's so clear now
We are citizens of all you can see		It's so clear now
We've got nothing but time		It's so clear now
You'll find everything you didn't do		That you'll find everything you didn't do
Everything you didn't do		(Don't give up because you wanna know)
Standing right in (3) of you	u	(Don't give up)
But euphoric combination		Everything you didn't do
Of a thousand dirty hands		(Don't give up because you wanna know)
There's no need for complication		(Don't give up)
On the (4) we w	ould stand	Everything you didn't do
It's a patient exploration		(Don't give up (9) you wanna know
Where (5) is free	е	(Don't give up)
There's no need for explanations		Everything you didn't do
We exist where we can see		(Don't give up because you wanna know)
We should put up the sun		(Don't give up)
We are citizens of all you can see		Standing right in (10) of you
We've got nothing but time
