

Fill in the gaps

We, the people fight for our existence	On the wrong side of his bed
We don't claim to be perfect	And it (15) don't matter now
But we're free	'Cause (16) by little
We dream our (1) alone	We gave you everything
With no resistance	You ever dreamed of
Fading (2) the (3) we (4)	Little by little
to be	The (17) of your life
You know I didn't mean	Have slowly fallen off
What I just said	Little by little
But my God woke up	You have to give it all in all your life
On the wrong side of his bed	And all the time
And it just don't matter now	I just ask myself why
'Cause little by little	You're really here
We gave you everything	(Hey)
You ever (5) of	Little by little
Little by little	We gave you everything
The wheels of (6) life	You ever dreamed of
Have (7) (8) off	Little by little
Little by little	The (18) of (19) life
You have to give it all in all your life	Have slowly fallen off
And all the time	Little by little
I (9) ask myself why	You had to give it all in all your life
You're really here	And all the time
True perfection has to be imperfect	I just ask (20) why
I (10) that (11) foolish, but it's true	You're (21) here
The day has come	Why am I (22) here?
And now you'll have to accept	Why am I (23) here?
The life inside (12) head we give to you	
You (13) I didn't mean	
What I just said	
But my God (14) up
